

**NAME**

markdown2tex – convert .md files to .tex

**SYNOPSIS**

markdown2tex [OPTIONS] -- [INPUT\_FILE] [OUTPUT\_FILE]

**DESCRIPTION**

OPTIONS are documented in Section 2.2.1 of the Markdown Package User Manual (<https://ctan.org/pkg/markdown>).

When OUTPUT\_FILE is unspecified, the result of the conversion will be written to the standard output. When INPUT\_FILE is also unspecified, the result of the conversion will be read from the standard input.
