

type

```
graph BT; A["feedforward_closedloop_learning._SwigNonDynamicMeta"] --> B["type"]
```

A diagram illustrating a type relationship. A light gray rectangular box at the top contains the word "type". A dark gray rectangular box at the bottom contains the text "feedforward_closedloop_learning._SwigNonDynamicMeta". A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box.
